INTERNATIONAL CONFERENCE ON ANALYSIS AND ITS APPLICATIONS 2020

(ICAA_NEPAL_2020)

MAY 29 – 31, 2020

KATHMANDU UNIVERSITY DHULIKHEL, NEPAL

http://icaa2020.ku.edu.np

PLENARY SPEAKERS

- **Prof. Cho Yeol Je, Gyeongsang National University, South Korea**
- **Prof. Harrell Ivans, Georgia Institute of Technology, USA**
- **Prof. Persson Lars-Erik, Uitthearctic University of Norway, Norway**
- **Prof. Skopina Maria, St. Petersburg University, Russia**
- **Prof. Saxena Vinod Prakash, Jiwaji University, India**

FOCUS AREAS

Complex Analysis; Harmonic Analysis; Fixed Point Theory; Special functions; Functional Analysis; Wavelet Analysis; Fourier Analysis; Optimization theory; Queueing Theory; Differential Equations; Numerical Analysis; Mathematical Biology; Convex Analysis; Inverse Problems and Non-linear Analysis; Operator Theory and Function Space; Variational Analysis; Smooth and Non-smooth Analysis; Modern Methods in Summability and Approximation Theory; Dynamical Systems; Sequence Spaces; Matrix Transformation and Mathematics Teaching.

CONFERENCE CHAIR
Prof. Bhatta Chet Raj
President, Nepal Mathematical Society
chetbhatta0@gmail.com

CONFERENCE SECRETARY
Dr. Panthi Dinesh
